*Welcome Home to*  
*920 Lee Road 417*

Stucco, stacked stone, flagstone porches, copper roof over bay window, and double glass doors are some of the exceptional features you'll find in this wonderful home. Enjoy fine estate living with privacy and space, professional landscaping, a circular drive with separate parking on side of home, a 4+ acre private pond with 58 +/- total acres of land to enjoy the lifestyle you desire.

A screen back room is perfect for relaxing and a large back patio accessible from the living and master bedroom is great for entertaining.

The kitchen has custom cabinetry with solid surface countertops and new stainless steel appliances.

Step down into the formal living area with large arched windows, columns, hardwood flooring, fireplace and built-in bookshelves.

This home has so many fine features.
